

# Weekly Digest

## Northern Cultural Regeneration Fund

The Northern Cultural Regeneration Fund, launched in April 2019, is a £3.1m blended fund from the Department of Culture, Media and Sport. It aims to support the development and growth of creative and cultural businesses across the North, that deliver social impact. To be eligible you must be an incorporated business working in the sector that can evidence social impact. It is open to businesses in the Humber region. There is an attached pdf.

## Evaluation Event

Spark Grimsby are hosting an event with SSNEL and S4W Ltd about evaluating and evidencing the impact of your creative project. Learn what commissioning bodies/funders look for and common mistakes made. [Thursday 23<sup>rd</sup> September 12:30-2pm](#)

## Edward Watkin Talk

Taking place of [5<sup>th</sup> October in the Assembly Room of Grimsby Town Hall](#), this is a talk about Sir Edward Watkin MP as an exciting risk-taker who left behind a multitude of great schemes, including ones in Lincolnshire. Learn about Edward Watkin's role in the British railway industry, his role in repealing the Corn Laws as well as the specific impact he had on Grimsby and its port.

## Last weekend...

T Plenty of heritage activity happened in Grimsby over the weekend, including the premier of St James' Path Soundscapes audio, capturing the voices, stories, sounds and song from the etched pathway in St James' Square and played over the new audio system in the Square. [It is available to listen to now](#). This coincided with the Our Haven Wondering Poets and craft activity in Grimsby Minster.
